Below this is a 'LEARNING CENTER' header with tabs for 'COURSES', 'NFHSLearn FOR YOU', 'USER LOOKUP', and 'HELP'. The main content area is titled 'COACHING UNIFIED SPORTS' and is labeled as an 'Elective Course'. It features a dropdown menu for 'District of Columbia' and a price of '\$ 0'. An 'Order Course' button is visible. Below the header, the 'Course Details' section includes a video player for 'Coaching Unified Sports' with the Special Olympics Unified Sports logo. To the right, a 'Related Courses' section lists several other courses: 'Coaching Volleyball', 'Learning Pro: Research Skills', 'Social Media for Students', 'Appearance and Performance Enhancing Drugs and Substances', 'Learning Pro: Reading and Learning Strategies', and 'Coaching Pole'. The 'Course Outline' section on the left lists three main sections: 'Introduction' (2 Sections), 'Testimonials on Unified Sports' (3 Sections), and 'Special Olympics Mission & ...' (7 Sections).

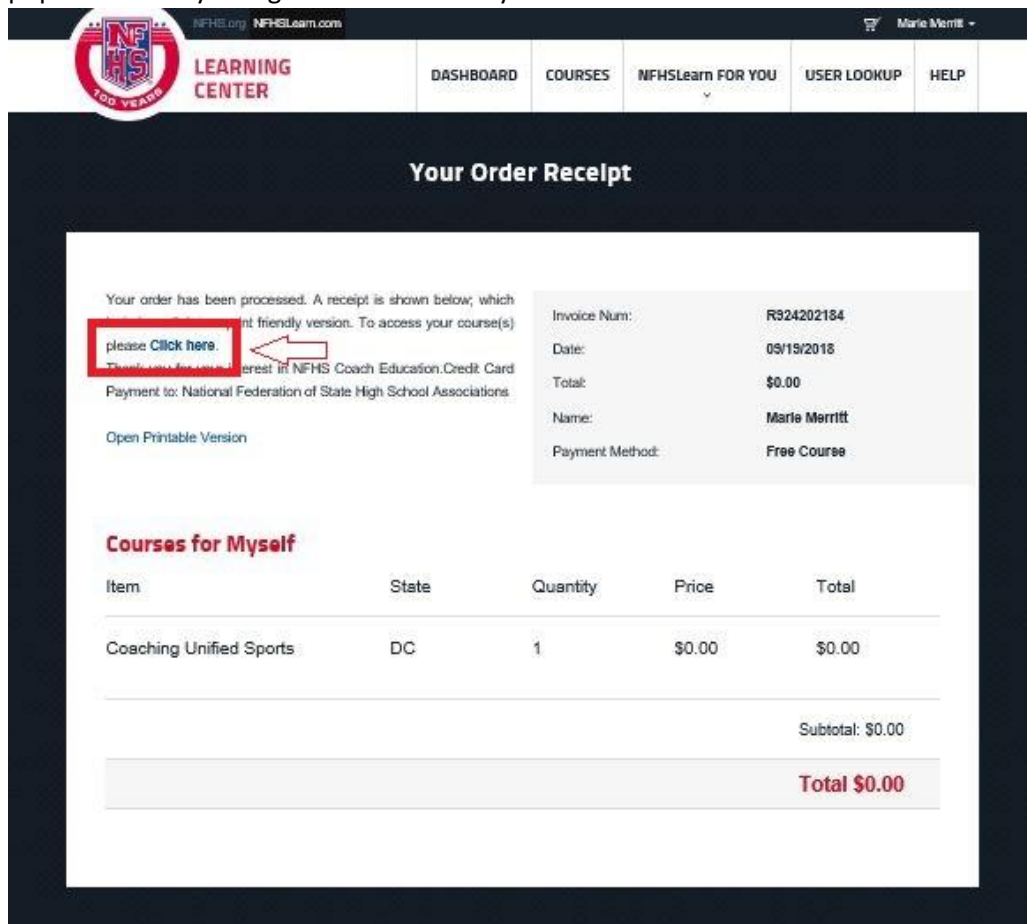

2. You will then need to register on the website

The screenshot shows the 'NFHS Sign In' page. It features a central white box on a dark background. Inside the box, there's a red 'NFHS Sign In' header. Below it are two input fields: one for the username (containing the letter 'I') and one for the password. A link for 'Forgot your password?' is positioned below the password field. A large red 'Sign In' button is at the bottom of the input area. Below the button, a link for 'Don't have an account? Register' is provided.

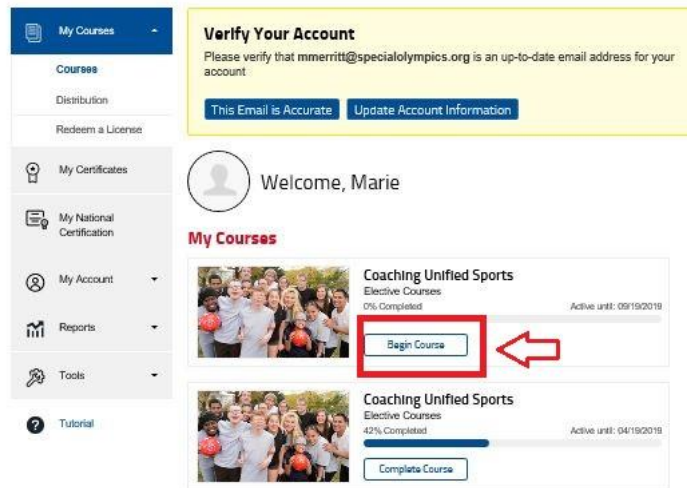

- Once you have registered, you will select the course with the order button. For location, please select District of Columbia. You will see that the fee for the course is waived and shows \$0. On the 2nd page of ordering, please make sure the agreement box is selected. After ordering course, hit the checkout button and you will receive an email confirmation.

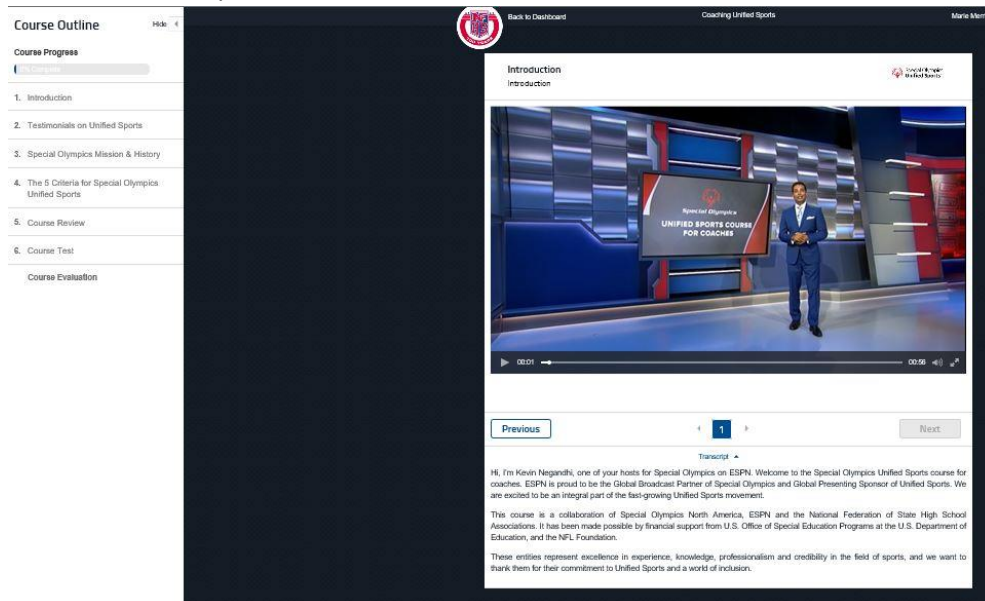

- On the receipt/confirmation page you will find a link to take the course. It will also auto-populate when you login to the site at any other time in the future.

- The main page for your courses will arrive and take you through a tutorial on the site. Once that is completed you may Begin the course.

- If you would like, you may click on the Transcript button at the bottom to read along with the course presentation. Once you have completed all the sections of the course you will receive a certificate of completion.
